ATTILIO BABBI ACADEMY CERTIFICATION

ATTILIO BABBI ACADEMY has obtained the UNI ISO 21001:2018 certification, the first specific national standard for learning in non-formal education and training, i.e. not in primary, secondary and higher education. Non-formal education and training is one of the most important sectors for the development of businesses and society, since it oversees the education and training of workers and, above all, the cultural and human growth of individuals. This standard, which can be regionally accredited, has the advantage of constituting a verifiable, certifiable and communicable organisational model. It also increases the comparability and transparency of training services.
